# *Fueling Worship & Creativity: The Impact of Your Support*

## **Equip & Build Up Worship Leaders**

Your contributions help provide resources, training, and mentorship for worship leaders, enabling them to grow spiritually and professionally. They also help us build restorative programs for creatives in leadership—surrounding them with counsel, resources, and a life-giving community where they can be renewed, supported, and strengthened for the journey ahead.

## **Support Creative Initiatives**

### **Heart Worship Village**

Our eight-month online cohort cultivates spiritual formation, meaningful community, and collaboration among worship leaders, musicians, and Christian creatives.

### **Deeper Dive**

Our six-month in-person cohort focuses on practicing the presence of God and developing worship leaders through hands-on leading experience, practical feedback, and shared growth.

### **Songwriting Intensives**

Our Songwriting Intensives help creatives recognize and write the songs God is inviting them to carry. Attendees also learn how to write collaboratively and develop songs within a group setting.

## **Establish a Home for Ongoing Formation**

### **Training Rooms for Creative Formation**

Dedicated rooms for writing intensives and Deeper Dive sessions where creatives learn to practice His presence.

### **A Culture of Prayer and Intercession**

A designated prayer room where intercession becomes a daily rhythm and spiritual foundation for all that takes place.

### **Spaces for Prophetic Creative Expression**

A creative art and dance studio where prophetic painters and dancers can grow, create, and express what God is revealing through the gifting God has given them to steward His glory.

### **A Recording Studio to Release Songs to the Church**

A space where songs birthed in worship and community can be recorded, developed, and released to bless the wider Church.

### **A Gathering Space for Worship Nights**

A dedicated environment where worship nights can happen regularly—allowing creatives to gather not just occasionally, but consistently.
