Equip & Build Up Worship Leaders

Your contributions help provide resources, training, and mentorship for worship leaders, enabling them to grow spiritually and professionally. They also help us build restorative programs for creatives in leadership—surrounding them with counsel, resources, and a life-giving community where they can be renewed, supported, and strengthened for the journey ahead.

Support Creative Initiatives

Fund programs like the Full Day Restorative and Writing Intensives, Worship Nights, Webinars, Retreats, and the Heart Worship Village 8-Week Cohort.

Establish a Home for Ongoing Formation

Launch Phase 1 of Project: *Heart Worship House*—establishing a flagship home for Heart Worship Collective where creatives can gather consistently and grow together in community.

Within this space, we envision:

Training Rooms for Creative Formation

Dedicated rooms for writing intensives and Deeper Dive sessions where creatives learn to practice His presence.

A Culture of Prayer and Intercession

A designated prayer room where intercession becomes a daily rhythm and spiritual foundation for all that takes place.

Spaces for Prophetic Creative Expression

A creative art studio where prophetic painters can grow, create, and express what God is revealing.

A Recording Studio to Release Songs to the Church

A recording studio where songs birthed in worship and community can be recorded, developed, and released to bless the wider Church.

A Gathering Space for Worship Nights

A dedicated environment where worship nights can happen regularly—allowing creatives to gather not just occasionally, but consistently.
